VOLUNTEER EXPERIENCE

Frontend Engineer @ Nigeria Association Of Computing Students (NACOS)   University of Ilorin, Nigeria
[Nigeria Association of Computing Students (NACOS)](#) is the umbrella body for students studying Computer Science, Computer Engineering, Information Systems, Cyber Security, Software Engineering, Telecommunications Engineering, and all IT-related courses in Nigeria and have been in existence for over two decades and NACOS can boast of its presence in almost all tertiary institutions in Nigeria

 As a member of the NACOS software development team. I had the incredible opportunity to contribute my skills as a Frontend Developer at NACOS Unilorin chapter.

Academic Mentor @ Dareword Student Association (DSA)   University of Ilorin, Nigeria
[DSA](#) is an academic initiative that helps students to understand the university system and structure, inspire and connect them with literates and like minded people, and empower them with what they need to crest the peak of success.
The association matches freshmen and veterans in the same, or related course of study for at least a session, in other to guide them to follow the right footsteps.

Frontend Engineer @ OtechCreatives 🔗   Lagos, Nigeria
[Otech Creatives](#) is a fast growing technology company founded in March 2021. The
Company was founded with the sole purpose of using technological advancements to

our client's advantage by offering a means to simplify their products and services thereby exposing their business to a vast audience.

• Debugged UI issues across browsers and mobile devices using debugging tools.
• Integrated third-party APIs into existing applications for enhanced functionality.
• Utilized version control systems such as Git to manage source code changes.
• Developed and maintained web applications using React.js, CSS(SASS) and JavaScript
.
